

...making disciple makers

Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do. Joshua 1:8

A greeting from our Campus Director:

I am very excited to be part of the Cornerstone Bible College. CBC is for anyone who wants to know God on a much deeper level, implant more of His Word in their hearts and walk a more Spirit-filled life.

I know studying God's Word over the past four years and learning more of who God is and who I am in Christ has transformed my daily walk with the Lord. I firmly believe there is a great need to study more intentionally the Word of God and CBC is a fantastic place to begin!

I invite you to join us in this journey as a student or supporting us through prayer.

God Bless,
Mike

A note from our Pastor

Dear Cornerstone Chapel Church Family,

I believe scripture teaches that God's heart for his church is to continue to fulfill the Great Commission on earth...in other words, to continue what Jesus started 2000 years ago in making disciples! How we go about this may look different from church to church, but I believe God has given Cornerstone specific vision of what that looks like for us...Loving God, Building People, and Making a Difference. We're passionate about all three, but the reason for this letter is to highlight another way we believe God is calling us to "Build People."

For the last 2-3 years, God has been stirring our hearts, on the importance of developing leaders, raising up pastors, and training people in the Word of God. We were hoping to be able to do this in a way that fit our church well, was affordable, and convenient. We have been praying during this time for God to show us how he wanted to do this here. God has made His vision clear to us now, and I am pleased to announce that in the Fall of 2018, Cornerstone Chapel will be launching the Cornerstone Bible College (CBC). You will find all the details inside.
