IMPROVING OUR CAMPUS... MULTIPLYING OUR IMPACT!

Dear Cornerstone Chapel Church Family,

On Vision Sunday, I had the privilege of sharing how the Holy Spirit is moving in our church as we live out our mission of **Loving God, Building People & Making a Difference**.

From salvations, to opening our doors to the community, to discipleship there is a lot to celebrate as God continues to use us to impact people for Christ in the greater Medina area and beyond. We believe as we focus on why we exist, we will see God's vision for Cornerstone Chapel happen!

I also took time to share about **Project Impact**, an opportunity to **Improve our Campus, and Multiply our Impact!** To view in its entirety, go to [cornerstonechapel.org/projectimpact](http://cornerstonechapel.org/projectimpact).

Here's a quick overview:

**Project Impact is a one year effort (Oct. 2018-Oct. 2019) to raise \$400,000 for much needed upgrades to our facility. Our two greatest resources are: our people and our facility. We will continue to prioritize making disciples, but we also can't forget the importance of maintaining our campus.**

## Here's WHY!

We believe:

1. God is calling us to use our church facility to make an impact in our community
2. God has confirmed this call through prophetic words several times this past year
3. As we move forward God will miraculously provide

We, along with our Church Council, believe that the best way to address current needs in a timely manner is to raise these funds in one year, instead of going into debt. We want to continue to be good stewards, operating within our budget and remaining debt free.

It has been shown that the average church can raise 1.7 times their annual budget in 3 years. So if you do the math, our goal of \$400k is attainable!

**In 2018  
so far...**

- 24 Salvations
- 4 Healings
- 19 Water Baptisms
- 22 New Members
- 38 Completed Nextsteps
- 49 New Givers
- 10 Cornerstone Bible School Students
- 2,000+ attended Fireworks Fest
- 25 weeks of Recovery Meetings
- 100 per week attend Recovery Mtgs.
- 225 Adopt A Block Attendees
- 72 serving at Adopt A Block Outreach
- 21 people went on 3 Mission Trips

THE AVERAGE CHURCH CAN RAISE  
1.7x THEIR ANNUAL BUDGET IN 3 YRS  
\$920,000 (OUR ANNUAL BUDGET)  
x 1.7  
\$1,500,000 ÷ 3 = \$500,000

## LOOKING AT THE PAST:

We have always operated with financial integrity and will continue to do so as we are reaping today the good stewardship of our previous leaders.

As you can see, God has provided through every step of the way from 1985 to now.

**\*\*\*Only four times in 33 years we have come before the congregation to raise additional funds.**

If you call Cornerstone your home, and you believe the mission of our church is worth funding, I would like to ask you to prayerfully consider giving, above your tithe, a generous offering towards Project Impact.

Deb and I love you and we're so honored to be your pastors...we certainly don't deserve it. However, we're blessed to be able to do life together and are excited to be able to impact eternity with you during this season of our lives.
